

I P. Harita Lakshmi pursuing final year B.Ed at RGR Siddhanthi college of education sending you my testimony. Following is my testimony:

"It is a wonderful experience to be a part of RGR Siddhanthi college of Education. They have well qualified faculty, you can reach them out any time if you are facing any problem. They leave no stone unturned to give you the best teacher training. Principal ma'am Mrs. Ratna Swarupa is a very humble and kind person who motivate and inspire students to give their best. Overall this is a best place to develop your teaching skills. Go for it!"
