

Firstly, I would like to thank R.G.R Siddhanthi College of Education for all the academic support they have provided to students even during the pandemic situation. It's been quite a roller coaster and faculty have always been there to help.

Secondly, I would like to say it is an awesome college, and I am grateful to have mentors like Mrs. Ratna Swarupa (Principal Mam), Mrs. Arora Mary, Mrs. B. Sree Latha, Mrs. D. Sree Latha, Mrs. Shashirekha, Mrs. Anuradha, Mrs. Alivelu and Mrs. Anitha who helped during the entire study period. I became familiar with many new approaches to teaching acquired ideas and methods to improve my teaching knowledge and the college atmosphere was incredibly motivated and interested to learn new skills in the course time.

Finally, I've really enjoyed my internship. I feel very lucky and happy to have had this experience!

Thank You,

Mubashira Younus
