My two years of Experience at RGR SIDDHANTHI COLLEGE is great and memorable.

It was full learning and grooming one self   . The Mentors at RGR College helped us to enhance my

Academic and Interpersonal Skills.

It gave me a great opportunity to meet different kind of people and learned many things.

I am thankful to our beloved Principal Mam for giving us a place to join in this college.

A memory to cherish for life time.

Thanking You,

Y . Avanthi
